

Like many proud Americans, I want an exemplary democracy. Sinclair Broadcasting is violating our democracy and good business rules. Their decision to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Please ensure that they do.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. Let the license renewal process be a full accounting of their previous actions.
